Strategy and Vision

Purpose: Set or review the high-level direction for public health, safety, and public works in Winthrop for the next 3-5 to years; align committee oversight priorities with town council goals.

Questions:

- What are the top 3-5 strategic risks and opportunities facing Winthrop in public health safety and works over the next 3-5 years?
- How do current departmental plans parentheses health safety police fire DPW Emergency Management aligned with town council strategic goals?
- Where are the resource gaps (funding, staffing, equipment) that could prevent strategic objectives from being met?
- What external trends (climate impacts democratic shifts regulatory changes) should shape our strategy?
- What metrics should the committee track to judge progress on strategic goals?

Potential outcomes the committee can pursue

- Adopt a prioritized oversight agenda listing 3 strategic focus areas for the year.
- Recommend a cross departmental strategic alignment review to the council.
- Request baseline strategic plans and risk registers from relevant departments for future monitoring .
- Define 4 to 6 high level performance indicators the committee will review quarterly.
