Remote Public Access via Zoom

As posted with Commonwealth of Massachusetts Office of Secretary of State, the Executive Office of Administration and Finance, the State Reclamation and Mosquito Control Board and all subscribing communities, there will be a meeting of the Northeast Massachusetts Mosquito Control and Wetlands Management District (NEMMC) Board of Commissioners to be held on April 9, 2026 at 09:00 AM at 118 Tenney St. Georgetown, MA 01833. The public will have remote access to this meeting, link below.

We are meeting remotely in accordance with An Act Extending Certain COVID-19 Measures Adopted During the State of Emergency. On March 28, 2025, Governor Healey signed a bill, extending the expiration date of the temporary provisions regarding remote meetings from March 31, 2025, to June 30, 2027, allowing a public body to continue holding meetings remotely without a quorum physically present at a meeting location as long as it provides "adequate, alternative" access to remote meetings.

Agenda as Follows:

1. Call to order and Attendance.
2. Review and approval of March 12, 2026, minutes – vote required.
3. V. MacLean – 3-year step increase effective July 1, 2026 – vote required.
4. A. Agaj – 1-year step increase effective July 1, 2026 – vote required.
5. Public comment/input.
6. Adjournment.

- Committed to a partnership of the principles of mosquito control and wetland management -
