Remaining questions from last meeting

What are the strategic goals of the Town Manager and major departments? (Are these in the budget presentations?)
What are 4-6 high level performance indicators that you would like the Committee to review quarterly? (Ex. Emergency response time, infrastructure condition index on roads, drainage, seawalls public buildings), incident frequency and severity of climate related incidences, (floods, power outages), and associated service disruptions, staffing resilience such as vacancy rate in critical roles, percentage of positions with succession plans)

Agenda for this meeting: Strategic level questions related to accountability and transparency. Please submit relevant documents three business days before the meeting if you would like the committee to read them prior to the meeting.

- *Current Reporting Practices*
 - *What information is currently published and about department performance, budgets and incidents, and where are the gaps? What are the benefits of collecting the data? What actions have been taken as the result of the data? What are the benefits?*
