A subcommittee of a public body is itself a public body subject to the Open Meeting Law. G.L. c. 30A, § 18. The Open Meeting Law defines a "meeting" as "a deliberation by a public body with respect to any matter within the body's jurisdiction, "however a meeting does not include the "attendance by a quorum of a public body at a meeting of another public body that has complied with the notice requirements of the open meeting law, so long as the visiting members communicate only by open participation in the meeting on those matters under discussion by the host body and do not deliberate."
