Re: Town of Winthrop v. Winthrop Police Brotherhood Local 421 (Romeo)  
Supreme Judicial Court Docket No.: FAR-26171

Dear Mr. Cressman:

Please be advised that on June 29, 2018, the Supreme Judicial Court denied the Town's Application for Further Appellate Review in connection with the above referenced matter.

This now concludes the extensive litigation relative to Romeo's dismissal pursuant to the terms and conditions of the Collective Bargaining Agreement. The denial essentially reinstates the arbitrator's decision reinstating Romeo with back pay. I will contact you to further discuss this matter.

Very truly yours,

Howard L. Greenspan
